

Material Safety Data Sheet

Section 1. Product and Company Identification

Product Name: Goat Poly Anti-Human IgG, (H&L) HRP, Affinity purified

Catalog Number: K0211466

Manufacturer: 19F, IS BIZ Tower, Sunyudo Station 1cha, Yangpyeong-dong 5 ga 1-1, Yeongdeungpo-gu, Seoul 150-105, Korea

Contact: (Tel) 82-2-2660-5660 (Fax) 82-2-2660-5669 (E-mail) koma@komabiotech.com

MSDS#

Component/Item (and Parts number if listed)

This product contains purified goat immunoglobulin G (IgG) protein in HEPES containing 0.002% Thimerosal.

Section 2. Hazards Identification

Review approved and the most current institutional guideline, protocol, SOP(s) and MSDS(s) for the proper handling of institutional materials/equipment associated with the use of this BCI product.

Primary Routes of Entry:

Skin Absorption **(No)**; Dermal/skin contact **(No)**; Eye contact **(No)**; Inhalation **(No)**; Ingestion **(No)**; Chronic Exposure **(No)**.
Skin or eye contact from splashes.

Medical Conditions Aggravated by Exposure: Not available.

Potential Acute Health Effects: Adverse health effects are not expected from the recommended use of this product.

Carcinogenic Effects: Not listed by NTP, IARC or OSHA.

Mutagenic Effects: Not available.

Teratogenic Effects: Not available.

Section 3. Composition and Information of Ingredients

The contents in the product ingredients listed as hazardous are given below to the best of our knowledge. At the supplied concentrations stated below, none of the hazardous reagents are present in an amount that qualifies the product as hazardous in accordance with 29 CFR 1910.1200. However exposure to large amounts and/or ingestion can potentially be hazardous.

Section 4. First Aid Measures

Skin: Wash exposed skin with mild soap and water. Get medical attention if irritation develops or persists.

Eyes: Immediately flush with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Seek medical attention.

Inhalation: If breathing becomes difficult, move victim to fresh air. If irritation persists, get medical attention.

Ingestion: Do not induce vomiting. If affected person is conscious, give plenty of water to drink. Seek medical attention.

Section 5. Fire Fighting Measures

Flammability of the Product: Not flammable.

Special protective equipment for firefighters: N/A

Flash Points: N/A

Section 6. Accidental Release Measures

Personal precautions Use personal protective equipment

Methods for cleaning up Soak up with inert absorbent material

Section 7. Handling and Storage

Handling No special handling advice required

Storage Keep in properly labelled containers

Section 8. Exposure Controls and Personal Protection

Occupational exposure controls

Exposure limits

Engineering measures Ensure adequate ventilation, especially in confined areas

For research use only; not for use in diagnostic procedures

Personal protective equipment

Respiratory protection In case of insufficient ventilation wear suitable respiratory equipment

Hand protection Protective gloves

Eye protection Safety glasses with side-shields

Skin and body protection Lightweight protective clothing

Hygiene measures Handle in accordance with good industrial hygiene and safety practice

Environmental exposure controls

Prevent product from entering drains

Section 9. Physical and Chemical Properties

General Information

Form Solid

Important Health Safety and Environmental Information

Boiling point/range °C No data available °F No data available

Melting point/range °C No data available °F No data available

Flash point °C No data available °F No data available

Autoignition temperature °C No data available °F No data available

Oxidizing properties No information available

Water solubility No data available

Section 10. Stability and Reactivity

Stability Stable.

Materials to avoid No information available

Hazardous decomposition products

No information available

Polymerization Hazardous polymerisation does not occur

Section 11. Toxicological Information

Principle Routes of Exposure/ Potential Health effects

Eyes No information available

Skin No information available

Inhalation No information available

Ingestion No information available

Specific effects

Carcinogenic effects No information available

Mutagenic effects No information available

Reproductive toxicity No information available

Sensitization No information available

Target Organ Effects No information available

Section 12. Ecological Information

Ecotoxicity effects No information available.

Mobility No information available.

Biodegradation Inherently biodegradable.

Bioaccumulation Does not bioaccumulate.

Section 13. Disposal Considerations

Dispose of in accordance with local regulations

Section 14. Transport Information

IATA

Proper shipping name Not classified as dangerous in the meaning of transport regulations

Hazard Class No information available

Subsidiary Class No information available

Packing group No information available

UN-No No information available

For research use only; not for use in diagnostic procedures

Section 15. Regulatory Information

This safety datasheet complies with the requirements of Regulation (EC) No. 1907/2006.

Section 16. Other Information

Revision Date : 2017-05-21

Revision Note : Not applicable.

Notice to Reader

The information contained in this MSDS was obtained from sources we believe are reliable. However, the above information is provided without warranty, expressed or implied, regarding its correctness. Koma Biotech makes no guarantee of the accuracy or completeness of the data and shall not be liable for any damages thereto. The data are offered solely for your consideration, investigation, and verification. These suggestions should not be confused with either state, municipal, or insurance requirements, or with national safety codes and constitute no warranty. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist. Any use of these data and information must be determined by the user to be in accordance with applicable federal, state, and local regulations.

N/A - Not applicable or no information available.

For research use only; not for use in diagnostic procedures
